A crash bug occurs when a user opens a product on the “Find Bugs” page and attempts to

11/10/25, 6:40 PM 1093 – When changing the currency on a product page in the “Find Bugs” section, the page freezes, causing the site to become u...

change the currency from the right-side menu. Instead of updating the product price to the selected currency, the page becomes unresponsive and freezes. This issue occurs consistently across all browsers, making it a high-severity crash bug.
